Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Diagnosis and Treatment of Hemorrhoids and Other Non-Malignant Rectal Diseases In preparing this hand-book, the object will be to give in plain and comprehensive language, as briefly as possible and with little discussion, a few general rules, which, if even approximately observed, can but lead to success in the treatment of all non-malignant rectal diseases commonly known, and for which the general practitioner will not infrequently be called upon for relief. Army, than that nearly all men, doctors not excepted, will suffer more than the pain and inconvenience of a thousand operations, rather than undergo an operation for removal by any of the methods in vogue. The fame of some specialists who are distant enough to lend enchantment to the view, will generally induce people of large means when life has become something of a burden, to place themselves under their care and take what they offer; but unfortunately, piles are not limited to people of large means.
