## MAN IN THE EMPTY SUIT

Soho Press, 2013. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Praise for Man in the Empty Suit "Ferrell's humor and invention will draw you in, and the real emotion in his writing will keep you reading. A clever premise that deepens into a surprising and moving story about fate, identity, and how we shape our own lives and the lives of those around us." --Charles Yu, author of How to Live Safely in a Science Fictional Universe "A tour de force. Ferrell's skill in plotting is matched only by his ability to bring fully-formed characters to life. A moving and brilliantly-executed puzzle of a novel." --Emily St. John Mandel, author of The Lola Quartet "Ferrell makes a strong case to be the Kurt Vonnegut of his generation. Man in the Empty Suit is alternately funny, sad, and thought-provoking. I wish I could travel back in time and write this book myself." -- Andrew Shaffer, bestselling author of Fifty Shades of Earl Grey "Man in the Empty Suit is a marvel: a complicated, soul searching, entirely riveting piece of work." -- Marcy Dermansky, author of Bad Marie "An arresting setup--the same character is simultaneously the murder victim, suspect, and investigator--and Ferrell exploits it carefully. [presenting] the reader with some ugly truths about life and owning up to who we really are. Ferrell himself has jokingly called it the time-travel book of 3102, but I wouldn't suggest waiting that long." -- The Atlantic "[ Man in the Empty Suit has] an ingenious setup.Both Looper and Man In The Empty Suit track the trajectory of a pained, lonely man who learns what it means to sacrifice for the sake of another's well-being." -- The A.V. Club "Ferrell's novel satisfies as both a tale of a four-dimensional...
