

The Million Dollar Machine - Life Skills Enrichment Program - Grades K-3

By Kent Davis

DatASIA, Inc. Paperback. Book Condition: New. Paperback. 100 pages. Dimensions: 10.8in. x 8.1in. x 0.3in. The Million Dollar Machine (MDM) is a life skills enrichment program for all children in Grades K-6. This award-winning teaching system enables educators, mentors and parents to give their children the knowledge and motivation they need to achieve their personal best in life. With this easy-to-use lesson collection, children will immediately begin benefiting from these classroom-proven activities that shape a wide variety of essential personal, social, cognitive and environmental skills. MDMs health and decision-making skills also protect children from drug use and other risky behaviors; a key benefit that earned this program a Presidential Award at the White House. This new edition includes the entire nationally tested lesson collection, validated by 5 scientific studies, with more than 600 integrated activities and discussion topics, 80 interactive parent/child worksheets, vocabulary and complete use guidelines. Teachers, mentors and parents praise the age-appropriate MDM lessons because they are effective, economical and easy to use in the classroom and at home. Children love MDM because it makes learning fun! This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
