The Law-Making Process (7th Revised edition)

By Michael Zander

Bloomsbury Publishing PLC. Paperback. Book Condition: new. BRAND NEW, The Law-Making Process (7th Revised edition), Michael Zander, As a critical analysis of the law-making process, this book has no equal. For more than three decades it has filled a gap in the requirements of students in law or political science taking introductory courses on the legal system and is now in its 7th edition. It deals with every aspect of the law-making process: the preparation of legislation; its passage through Parliament; statutory interpretation; binding precedent; how precedent works; law reporting; the nature of the judicial role; European Union law; and the process of law reform. It presents a large number of original texts from a variety of sources - cases, official reports, articles, books, speeches and empirical research studies - laced with the author's informed commentary and reflections on the subject. This book is a mine of information dealing with both the broad sweep of the subject and with all its detailed ramifications. "In a crowded market place Zander's latest edition of The Law-Making Process stands out like a beacon in the fog. Well chosen extracts from stimulating texts enable the neophyte student of the law making process in England...
