Huntington outlined his thesis about the post Cold War world order. According to him, conflicts have evolved from feuds among nation states to ideological hostilities which would develop further into cultural clashes. He put forward the theory that nation states and other groups which share cultural affinities would unite and cooperate and fight as one, against other cultural blocks. He introduced the main forces of his new world order as being eight major civilizations (Western, Confucian, Japanese, Islamic, Hindu, Slavic-Orthodox, Latin American and eventually African) of which the Muslim, the Western and the Confucian would be dominant. Huntington predicted a decline of the western civilization should its members not unite to defend their power status. He identified religion, especially Islam as one of the most important sources for future clashes likely...
