Surviving a disaster requires planning, preparations, and skills.

Being prepared can save lives, but getting prepared can often

seem like a daunting task. If you've ever wanted to protect

yourself and your loved ones, but you just didn't know where to

begin, this Quick-Start Guide is everything you need (and

nothing you don't!) to help you survive a natural or manmade

crisis. Think of it as urban preparedness made easy for

everyday people. In this Quick-Start Guide you get: Real-world

survival basics in an abbreviated, user-friendly format.

Survival essentials in an easy-to-understand outline. Simple

step-by-step guidelines to help you get started with minimum

effort, time, and money. Comprehensive lists of products and

supplies to buy and store. Practical information without

sensationalism, fear mongering, or drama. A handy reference

and easy access to quick tips, ideas, and the information you

need-when you need it. Using this Quick-Start Guide, you can

make significant progress in as little as a few hours. You don't...
