## HOMEOPATIA Y EMOCIONES

Vedrá, España, 2011. Encuadernación de tapa blanda. Book Condition: Nuevo. 22x15cm. En el ámbito actual de las ciencias de la salud, existe una neta separación entre la medicina organicista que trata los órganos materiales y sus enfermedades respectivas y la psicología, cuyo objetivo es el estudio específico de la mente y de las emociones humanas. La homeopatía es el puente entre estos dos mundos, y el remedio homeopático el medio terapéutico que permite restaurar armónicamente la unión entre lo psíquico y lo somático. Creada por Samuel Hahnemann la homeopatía desde sus comienzos consideró al mundo emocional como el núcleo central de cada persona a partir de cuya comprensión, resulta posible encontrar el remedio correspondiente. El objetivo de esta obra es presentar una exposición clara y asequible de los fundamentos de la homeopatía, la descripción de algunos de los principales remedios homeopáticos a partir de su núcleo emocional, y un repertorio de los más comunes síntomas emocionales descritos en términos psicológicos actualizados. Estos temas están desarrollados con un lenguaje sencillo, haciendo que este libro sea de interés tanto para el público en general como para el profesional especializado.
