National Academies Press, United States, 2003. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book. Admittedly, the world and the nature of forced migration have changed a great deal over the last two decades. The relevance of data accumulated during that time period can now be called into question. The roundtable and the Program on Forced Migration at the Mailman School of Public Health of Columbia University have commissioned a series of epidemiological reviews on...
