Brand New Book ***** Print on Demand *****.If you give a child a coloring book about dogs, there are a plethora of ways to engage his or her attention. If an adult is actively involved in the activity with the child, the child can be asked questions that arouse that curiosity and stimulate their brain such as, What kind of dog do you think that is? or What do you think that dog likes to do for fun? To make it more fun and interesting, the adult can encourage the child to color the tail and paws and ears a different color or relate the dog in the coloring book to their own dog if they own one.
