Whether your interest in Sioux folklore is great or small, you will find this a fascinating book to devour. Pick up a copy today and be thrilled. The Reading Room This accessible and affordable volume combines two essential collections by Sioux author Zitkala-Sa. American Indian Stories assembles short stories, autobiographical reflections, and political essays that offer poignant reflections on the author s sense of being stranded between the white and Native American worlds. Old Indian Legends features tales from the oral tradition legends passed down through the generations that form a genre known as the retold tale. Born on South Dakota s Yankton Reservation in 1876, Zitkala-Sa felt as free as the wind that blew my hair, and no less spirited than a bounding deer. At the age of eight, she traded her freedom for the iron discipline of a Quaker boarding school. Disillusioned by American society as well as her own tribe, Zitkala-Sa attended college, became a teacher, and wrote about her experiences in a variety of books and magazines. A prominent advocate for Native American rights throughout her life, she was a key figure in the legislation that granted Native Americans citizenship in 1924.
