Reviews

It is a single of the most popular ebook. Better than never, though I am quite late in starting reading this one. You will not feel monotony at any moment of your own time (that's what catalogs are for about when you request me).

Paperback. Book Condition: New. Not Signed; Ladybird I'm Ready for Phonics activity books are a great way for children to learn and practise their phonics skills. The series of phonic readers and their accompanying activity workbooks have been carefully written to give gradual, structured practise of the synthetic phonics your child is learning at school. Level 1 includes lots of fun activities and stickers to help your child practise their letters and sounds and early reading skills, just as they do at school, and will help children prepare for the Phonics Screening Check at the end of Year 1. The series closely follows the order that a child is taught phonics in school, from initial letter sounds to key phonemes and beyond. It helps to build reading confidence through practice of these phonics building blocks, and reinforces school learning in a fun way. Other titles in the series are: Phonic activity books, Phoneme Flash cards: Ladybird I'm Ready for Phonics, Say the Sounds: Ladybird I'm Ready for Phonics, Captain Comet's Space Party!
