Harley Bennett, United States, 2013. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Jodi s vacation to the 1887 frontier town of Moss Point, Arizona was supposed to be fun. Horseback riding in the mountains and forests of Arizona was fun. Meeting White Feather and his Apache hunting party was fun. White Feather even gave her an Apache name, Konantanihi, which he translated as Fire Princess. Fishing in the wilderness was fun. Spoiling the stagecoach robbery was a lot of fun. Riding Mark s big Quarter horse in a race was fun, and attending a nineteenth century baseball game with Hallie was fun. But, there were all those other things, those things that did not belong. Those were not fun. Some of the things that Jodi had to deal with were downright scary.
