Brand New Book ***** Print on Demand *****.Only yesterday you were practicing tummy time with your infant, and suddenly you're staring at the kindergarten registration form! Though sometimes, we'd love to freeze time, the reality stands: kindergarten is coming. Did you know that today's kindergarten classroom is very different than it was years ago? New standards of education mean more is expected of your child at every stage, and the early childhood curriculum is fast-paced from day one. As parents, we want to ensure that our children are well-prepared to start their formal education, but, many of us don't know where to start and most of us don't have the time. Get the inside scoop directly from kindergarten teachers and parents who have experienced students' success throughout the years and know the do's and don'ts to preparing students for a great first year. This easy-to-read and fun-to-follow book reveals at-home activities and valuable information to prepare your child in a way that is stress-free and fun for both of you. Practice essential skills for early reading and math. Use checklists to follow your child's progress. Get started instantly with tips, activities more. *Is Your Child Ready for Kindergarten?* provides everything you need to prepare your child for kindergarten while having fun and spending precious time together.
