Apress. Paperback. Book Condition: New. Paperback. 236 pages. Dimensions: 8.9in. x 6.0in. x 1.0in. Follow trends and make money, or don't follow trends and don't make money. Robert Robbins wants investors to follow trends. His effort is to be saluted. Michael W. Covel, bestselling author of *Trend Following*, *The Complete Turtle Trader*, and *Trend Commandments* A must-read for both the experienced and newcomers. The student has bypassed his mentor. Ralph Bloch, consultant at Bulls, Bears, and Bloch Rob presents both the new and experienced trader with insights needed for successful trading. As a long-time trend follower, I share many of Rob's thoughts in *Tactical Trend Trading*. If you are truly interested in learning an investment strategy without the hype from a real trader, then this is the one definitive source. Andrew Abraham, author of *Learn How to Trend Follow* Conventional wisdom has long insisted that the best if not the only stock market strategy worth employing is the traditional buy-and-hold model. But buy-and-hold investing is no match for today's turbulent markets, where real change happens every day and companies and entire industries are stamped out in the blink of an eye. Fortunately, there is a better way, one that enables market participants to preserve their capital while increasing their net gains in even the most volatile of markets. That way is trend trading, and with *Tactical Trend Trading* as your guide, you will be better prepared than ever before to tackle and profit from every curveball that today's topsy-turvy markets throw your way. Written by hedge fund manager and trend trader Robert Robbins, *Tactical Trend Trading* starts out from the basic premise that if market participants learn to embrace change, they will be better able to harness its ability to unlock profits in every corner of the markets. To that end, Robbins equips you not...
