Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

THE GREAT ADVENTURE OF LAV KUSH

Unicorn Books, New Delhi, India. Softcover. Book Condition: New. No doubt, Indian children are rather too familiar with the story of Lav-Kush - their early childhood years in the Ashram of Maharishi Valmiki, and their trials and tribulations. They have seen their adventures on TV, heard about them from their grandmother, etc. But a glossy colourful package, depicting their early years and the conflict with their father`s army, with colourful illustrations, which they can possess, hold in their hands and take to bed, has truly different appeal altogether. This book takes them into the world of Lav-Kush, retold in an illuminating and gripping style to hold them spellbound. Every child would love it. Printed Pages: 22.
