

You Can't Do That: How an 18 Year Old Ignores Conventional Wisdom and Paves His Own Entrepreneur Path (Paperback)

By Hassan Mohaidly

Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Would you ever think that an 18-year-old would ignore what society considered conventional and pave his own entrepreneurial path? In *You Can't Do That*, I take you through the journey on how I ignored conventional wisdom. I share with you the 7 valuable lessons I learned from surrounding myself around my mentors on achieving success and living a financially free lifestyle. Some of the really successful mentors I surrounded myself with were Dan Lok, who's a multi-millionaire serial entrepreneur, Joo Kim Tiah, who's building and financing the \$360-million dollar Trump Tower in Vancouver, and Darren Jacklin, who's an angel investor and corporate trainer. Additionally, I share with readers why and how I developed this mindset, what the lessons meant to me, and the challenges I faced implementing these new lifestyle changes. The mentors that came into my life made me think differently about achieving success and question conventional thinking and as a result of reading my book, it will do the same to you. I was really fortunate for having the opportunity to surround...

Reviews

This book is definitely worth acquiring. I have go through and so i am certain that i will likely to read through again again in the future. Its been printed in an exceptionally basic way in fact it is only after i finished reading this publication in which actually altered me, change the way in my opinion.
