

Essentials of Jamaican Taxation 4th Edition Volume 1

By Margaret Mendes

CFM Publications. Paperback. Book Condition: New. Paperback. 356 pages. Dimensions: 10.0in. x 7.0in. x 0.7in. This fourth edition of Essentials of Jamaican Taxation as with earlier editions covers the material for an undergraduate course in Jamaican taxation and deals with the theory of taxation and its application through the main provisions of the Income Tax Act, the various Acts governing payroll taxes, the General Consumption Tax Act and the Contractors Levy Act. This edition covers changes which took place after 2007 including the main provisions in the 2012 budget. The text is designed to give mainly students of accounting a working knowledge of taxation as it is administered in Jamaica so they are equipped to perform computations of tax payable by businesses employers, employees, self-employed, and persons with income from sources other than employment. Most of the text should be understood quite readily by readers other than students who wish to be informed on taxation matters. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
