

## Women in Early Medieval Europe, 400-1100 (Paperback)

Filesize: 2.58 MB

### ***Reviews***

*This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

CAMBRIDGE UNIVERSITY PRESS, United Kingdom, 2002. Paperback. Book Condition: New. New.. 212 x 140 mm. Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This is a history of the early European middle ages through the eyes of women, combining the rich literature of women s history with original research in the context of mainstream history and traditional chronology. The book begins at the end of the Roman empire and ends with the start of the long eleventh century, when women and men set out to test the old frontiers of Europe. The book recreates the lives of ordinary women but also tells personal stories of individuals. Each chapter also questions an assumption of medieval historiography, and uses the few documents produced by women themselves, along with archaeological evidence, art, and the written records of medieval men, to tell of women, their experiences and ideas, and their relations with men. It covers the continent and its exotic edges, such as Iceland, Ireland, and Iberia; looking at women Christian and non-Christian alike.
