Reviews

Completely essential go through book. It really is simplistic but excitement inside the 50 % of the pdf. I am very easily will get a satisfaction of studying a composed book.

Simon & Schuster Ltd. Paperback. Book Condition: new. BRAND NEW, White Horse, Alex Adams, When I wake the world is gone. Only fragments remain. And then I remember. Then: Her life may have taken a couple of wrong turns but thirty-year-old Zoe is trying to make the best of what she has. A part time cleaning job to pay for college, a weekly appointment with her therapist to straighten out the problems in her life. The same problems that any thirty-year-old girl would have. Nothing major. Nothing too life threatening. A few bad dreams. It's all going to be fine. Now: There is no other thought but survival. And so begins a treacherous post-apocalyptic trek across a desolate world in search of a life for her unborn baby. Through the remains of what was once civilisation, Zoe crosses continents strewn with fellow survivors, knowing the only thing that can keep her sane is normal human decency. But acts of kindness are few and far between in a world where untold horrors exist around every corner, where food and water is in desperately short supply, and the only chance of happiness is half a world away.
