Brand New Book ***** Print on Demand *****.quot;Thus we have decided to give the first lifetime ban to none other than GGFan, whose crimes against the internet should not and will never be forgotten or forgiven.quot; I created my first account on GameFAQs 15 years ago, quot;thegreatestgamefan.quot; Back then I was merely the greatest fan of games. What I didn't know was how being a fan of one game in particular would give me the opportunity to master it while becoming its most hated character. Listen to my story, in which I talk about the early days of competitive Pokemon, my involvement in both GameFAQs rise and downfall as a competitive community, and how I managed to become so despised that I even received legitimate death threats from indignant pre-teens (or possibly older, I m not sure) who thought I was the Grimer of the Earth. Competitive Pokemon grew to new heights from 2002-2003. There were more online tournaments than ever before and a playerbase that had a clear sense of who the best were. I was among them, though nobody...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
