Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.If you ve ever wanted to write your own books and publish them, Self-Publishing DECODED is for you. FREE apps (programs) are the only tools we need to make the most of the information in this book. Even if you are financially challenged, you can write, format, make your own front and back covers, and at no cost to you, upload your books and tunes to free publisher-distributors, set your own selling prices with the distributor, and place your print books and music CDs with American, British, and European bookstores as well as sell your print books, ebooks, audio books, digital music and CDs planet-wide! Today s authors are no longer restricted to traditional publishing houses where it s a matter of luck to even have the publisher lay eyeballs on your manuscript, let alone publish it. These days we have very powerful options. We can publish our own books and tunes through big publisher-distributors like Amazon, Barnes and Noble, Create Space (print books and CDs), Apple iBooks (ebooks and digital music albums), Loudr, Bandcamp, Smashwords, Audible (audio books), Kobo, and more. Self-Publishing DECODED will give you all the information you ll need to walk your literary and audio creations through the upload gates of these publishers so your books will sail through their interfaces with a minimum of fuss. You will learn how to organize your ideas as you write, use voice recognition software, tap into your creative process, use easy page layout strategies, and master the grammar checker so you can edit your own books. You will learn how to convert your book to various formats like the Kindle format, the embedded font PDF format, the...
