## DRACULAS

BRILLIANCE AUDIO, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. Mortimer Moorecook, retired Wall Street raider, avid collector, is losing his fight against cancer. With weeks to live, a package arrives at the door of his hillside mansion an artifact he paid millions for a hominoid skull with elongated teeth, discovered in a farmer s field in the Romanian countryside. With Shanna, his beautiful research assistant looking on, he sinks the skull s razor sharp fangs into his neck, and immediately goes into convulsions. A rural hospital. A slow night in the ER. Until Moorecook arrives strapped to a gurney, where he promptly codes and dies. Four well-known horror authors pool their penchants for scares and thrills, and tackle one of the greatest of all legends, with each writer creating a unique character and following them through a vampire outbreak in a secluded hospital. The goal was simple: write the most intense novel they possibly could. Which they did. A Word of Warning: Within this story, you will find no black capes, no satin-lined coffins, no brooding heartthrobs who want to talk about your feelings. Forget sunlight and stakes. Throw out your garlic and your crosses. This is the Anti-Twilight.
